

# 2018 PYO Season End Tournament Rules

The Home Team will be decided by coin toss in the Coach Pitch Pool Play games.

In all Coach Pitch Championship Round Games, the higher seed will be the home team.

## **Coach Pitch**

Same playing rules apply as the regular season except there can be no ties in the Championship Round.

Each team, will advance to the Championship Round in their division(Gold or Silver) which is set to start on, Saturday 6/16. Tie breakers for Coach Pitch seeding in the Championship Round will be Winning Percent, Head to Head in Pool Play, Runs Against, Runs For and then coin toss.

We will have an umpire for the Coach Pitch Championship Round scheduled to start on Sunday 6/24.

In the event a pool play game is not played, we will add the average number of "Runs Against" and "Runs For" (calculated for all teams) to the actual team stats to determine final seeding for the Championship Round.

Good Luck
